AGES 5-9 YEARS

A COMPLETE FUN-PACKED MUSIC LEARNING EXPERIENCE FOR YOUNG BEGINNERS!

Kids are accompanied by their online music tutor & interact with their music buddies for the first time.

This *8-month course* comes with free e-Workbooks, offline Videos & a Next Octave Certification on successful completion!

Workbook Activities include learning colourful sheet music, simple beat math, composing, tracing, playing craft games, beat games, colouring, etc.

LEVEL 1A (MONTH 1 TO MONTH 4)

Kids are welcomed with rhythmic call and response songs, introduced to the musical staff & taught to read sheet music.

Reference Videos reinforce hand-eye coordination.

Vocal techniques help strengthen pitch, learn new melodies & get kids performance ready!

Our virtual classrooms use advanced interactive teaching tools, video references, a free downloadable app, & numerous workbook activities.

LEVEL 1B (MONTH 5 TO MONTH 8)

Kids play & hand-sign while singing, learn 2 and 3-note songs, learn chord construction, Rhymes, I, IV, V chord songs, music theory, more listening games & call and response rhythms.

We finally evaluate them with interactive assessments & performances to wrap up their fun time.
